Pastor Ramel Cuenca & his wife Sherry

*Just like children, the do's & don'ts and must's & must

through the experiences & knowledge of our Senior

WONDERWORKS 03/17/2012
RAD WEEKEND 04/27-29/2012

We are offering an international mission trip through **MISSION OF HOPE HAITI**, which will occur July 7-14, 2012. We will spend seven days in Haiti, working among orphaned children and helping with construction and painting projects. This experience will change your life and broaden your perspective of what God is doing in the world in ways

you cannot imagine. This trip will be open to teens who have completed the 8th grade (due to the nature of this trip), college students & young adults. The total cost for this missions experience, an activity day in Haiti and all travel will be in the range of \$1,000-\$1,100 per person. The rate may vary slightly based upon the final airline charges. Depending on what you already have, there may be costs for a passport and vaccines.

Because of the significant expense the college ministry & the youth are asking for your prayers and also to please keep the financial need at hand in mind. Babysitting, yard work, Christmas decorating for donations is appreciated. Thank you for your support in ensuring our youth/young adults experience the different ways God can work through them & us together.

Your tithing envelopes are available now. They are located in the Sanctuary lobby, please pickup your box as you exit, thank you.

Pay Pal is now available on our website, www.southorlandbaptist.org

The contribution statements will be ready no later than January 29th.
