A note from Gabe...

This summer is about Change. Our Seniors are leaving and moving on to College or Careers. Our younger students are stepping up to be leaders and fill the gaps left by the Seniors. The church is starting the process of finding our next Youth Pastor. With all of this change its nice to know that there is always one thing that we can count on... God! He is in control! He is never changing! He never fails! He is always faithful to us, and always has the best in mind for us. So no matter where this summer takes us, know that God has everything well in hand!
