The story of Manasseh challenges us to...

1) See the Slippery Slope of \_\_\_\_\_ (vs. 1-9)

A) Manasseh is one of the most wicked men in the Bible, and he commits sin “according to” the other nations in verse 2. In verse 9, he led Judah to do “more evil” than the nations God had destroyed.

B) We are all prone to this slippery slope of sin.

2) Seek True \_\_\_\_\_ (vs. 10-13)

A) There are two types of repentance in the Bible: worldly sorrow and Godly sorrow (see 2 Corinthians 7:8-11):

1. Worldly sorrow – Involves real sadness, brokenness, and tears. The focus of worldly sorrow is the world: people are sad that they are losing things the world has to offer. This kind of sorrow leads to death.

2. Godly sorrow – The focus on Godly sorrow is God himself. It is earnest in overcoming the sin. It leads to an eagerness to clear oneself. It leads to indignation and hatred towards your sin. It leads to true repentance and actions (fruit) that reflect repentance.

B) Manasseh's actions reflect true Godly sorrow towards his sin, and it results in the fruit of removing the idols from Judah.

C) We must seek true, Godly sorrow, and perform repentance that yields fruit. (Matthew 3:8, Luke 3:8; Acts 26:20)

3) Serve God Faithfully, no matter your \_\_\_\_\_ (vs. 14-20)

A) Manasseh was used of God for the remainder of his life to tear down the pagan altars and clean out the Temple of God.

B) That God was able to forgive Manasseh for his sin shows us that God is able to forgive anyone (Romans 10:13).

C) Manasseh's repentance was able to “save Christmas” because he continued the line of descendants to his son Amon. Had Manasseh not repented, he would not have been able to become the father of Amon, who continued the royal line of the messiah.

## Where is Jesus in 1 Chronicles 33?

1. God was able to forgive Manasseh through the coming life, death, burial, and resurrection of Jesus. It is at the cross of Jesus that all sin throughout history can find forgiveness.
2. Manasseh was an evil and imperfect king, making Israel desire the coming king and messiah who is without sin. Jesus fulfills all of the Old Testament offices of prophet, priest, and king.
3. After repentance, Manasseh was able to father Amon and continue the royal line to Jesus. (Matthew 1:10)

## Application Questions
