

What a Christian should do with a Stimulus Check (or) A Christian's Proper Approach to Money

Text: James 5:1-6

Context - James has been addressing Worldliness [4:1-10] and many of the temptations of the world such as presumption about others [4:11-12] and about the future [4:13-17]. Now James tackles the greatest lure of worldliness - greed.

Main Idea - Focus your attention, energy, and treasure on heaven and on the final judgment.

With your stimulus check, you should...

1. _____ up treasures in Heaven (vs. 1-3)
2. _____ the coming judgment (vs. 4-5)
3. _____ others (vs. 6)
