

## Rejoice in the Lord Always Habakkuk 3:1-19

Context - Habakkuk has asked God for action against the injustice of his country and has been told by God that the Babylonians are coming to judge Israel. In Habakkuk 2:1 Habakkuk says he will take his stand to listen to God and then he will see how he shall respond. Where chapter 2 is God's judgment on Babylon, chapter 3 is Habakkuk's response to God.

Main point: Sing praises to God no matter your circumstances.
