

## **Vision Sunday 2022 - Extraordinary Faith**

**Text:** Matthew 9:18-26

**Context:** In Matthew 9, Jesus is performing miracles that authenticate him as the messiah. Matthew showcases the authority of Jesus over sickness, demons, nature, sin, and even death.

### **Extraordinary faith will lead you to...**

#### **1. \_\_\_\_\_ beyond the limits (vs. 18-19)**

This synagogue leader is asking Jesus to raise his dead daughter. His request is something Jesus hasn't done yet in his ministry.

#### **2. \_\_\_\_\_ outside your comfort zone (vs. 20-22)**

This woman had been considered ritually unclean and was excluded from normal social interactions, yet she pressed into the crowd to seek the healing of Jesus.

#### **3. \_\_\_\_\_ through ridicule (vs. 23-26)**

Though the crowd laughs at Jesus, the man helps put the crowd outside.
